**EXAMINER'S AMENDMENT** ✓

The numbering of claims is not in accordance with 37 CFR 1.126. The original claim number skipped claim numbers 7, 10, and 12. Claim 13 is dependent on non-existent claim 12. The claims have been renumbered accordingly including that claim 13 is dependent on claim 11. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

**Claim 13, line 1, delete "12" and insert – 11 --.**

***Allowable Subject Matter***

Claims 1-6, 8, 9, 11, 13 and 14 are allowed. The following is an examiner's statement of reasons for allowance: regarding claim 1, the prior art does not suggest the terminal as claimed, including the combination of all the claimed elements, the combination including the biasing member in the hole in the second contact member, the first electrical device having a housing with the enclosed mounting cavity, the mounting cavity with a fixed contact at a base of the cavity, and the rear end of the second contact member being reciprocally mounted in the cavity with said bearing ring slidably engageable with inner walls of the cavity as claimed. Regarding claim 11, the prior art does not suggest the terminal as claimed, including the combination of all the claimed elements, the combination including a coil spring in the hole in the second

contact member and engageable with the inner end portion of the first contact member for resiliently biasing the first and second contact members in opposite directions, and the first electrical device including a housing having the enclosed mounting cavity with a fixed contact at a base of the cavity, and the rear end of the second contact member being reciprocally mounted in the cavity with a bearing flange slidably engageable with inner walls of the cavity as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ross Gushi whose telephone number is (571) 272-2005.
